I don't think Harper Green wards should include Great Lever or Bolton - it should just be Farnworth as in BL4 area. Great Lever residents hardly come to Farnworth to use the utilities and services. They generally go to Bolton to shop, socialise and use libraries etc. The Great Lever area should have their own boundaries. If I lived in the Harper Green area I would not be confident that a Councillor appointed from outside Farnworth would be committed to the interests of Farnworth residents. Equally if I lived in Great Lever I would feel the same about a Farnworth Councillor not understanding the needs of my area.
