**Subject:** Re Boundary Commission for England proposals

I have read the document on the draft recommendation for boundary changes in the Alvaston Ward and must say that the proposals made by the Labour party seem to be very worrying. I do not recognise Wilmorton, Crewton or Alvaston Village as an area in my location. This area is known by all the local community as Alvaston! To turn it into Crewton, Wilmorton and Osmaston and then Alvaston Village as separate Wards seems ridiculous. I must object to these changes as they seem unnecessary. Osmaston (being the other side of Osmaston Road) is divided by the road and is separate to Alvaston, Ascot Drive further divides the communities and to say that Osmaston is part of Wilmorton is as stupid as it is daft.

yours faithfully
