### Comment text:

Firstly and Specifically I AM A RESIDENT living in West Ward Canvey Island: 1. The Proposed changes to the West Ward Boundary Will make my vote insignificant DO NOT CHANGE THE WEST WARD BOUNDARY on CANVEY ISLAND 2. Other proposed changes, DISADVANTAGE THE WHOLE OF CANVEY ISLAND . 3. Having TWO (2), LESS COUNCILLORS LOOKING AFTER THE ISLANDS INTERESTS means A SIGNIFICANT LOSS of THE ISLANDS COUNCILLOR VOTING RIGHTS on CPBC & IS NOT ACCEPTABLE BY ANY STRETCH OF THE IMAGINATION.. - A TRAVESTY OF JUSTICE.. 4. REGARDING CLIMATE CHANGE TO LOSE VOTING RIGHTS OF EXPERIENCED COUNCILLORS (WHO KNOW the ISLAND COMMUNITY), ie. Those WITH THE BEST & specific KNOWLEDGE AND EXPERIENCE OF CANVEY ISLAND must not exist be countenanced by the Commission 5. MY PAST EXPERIENCE OF KNOWING HOW MAINLINE COUNCILLORS HAVE VOTED SINCE THE 1980's, is that THEY DO NOT HAVE THE KNOWLEDGE TO UNDERSTAND THE NUANCES that apply SPECIFICALLY to THE ISLAND 6. These changes will place ALL CANVEY RESIDENTS at a DISADVANTAGE regarding their VOTING RIGHTS In conclusion : The Proposed Boundary commission changes REQUIRE A RE-THINK - PLANNING WITHOUT NOT ENOUGH THOUGHT GIVEN TO THE CONSEQUENCES = DETRIMENTALLY IMPACTing THE WHOLE CANVEY ISLAND COMMUNITY
