Subject: Loss of Ward.

Dear Tom

I write as a resident of the Ward of Bowers Hill which is located between Badsey and Wickhamford.

No doubt you will be getting other communications about this matter.

Somewhat confused about the procedure I have spoken to the Boundary Commission. They pointed me at the local " Community Governance Review Body.

Some many months ago we were all surveyed about boundary changes. We made our suggestions.

Councilor Goodge stated they would be irrelevant and thus disregarded.

Whereas we suggested the Bowers Hill Ward should be moved to Wickhamford we now find it is been done away as our suggestion annoyed Badsey Parish Council.

No being fully conversant with the process could you explain please.

Regards
