why would you put greenfield or Worsley into or under Hyndburn? We pay our council tax to ROSSENDALE COUNCIL UNFORTUNATLY we dont seem to get the same services as Rawtenstall we are the forgotten part of the Borough .When you think that Haslingden had its own parks department ,Refuse collection, Bus depot,Baths, and was always noted as a nice little area to live It was always clean and cared for by the council at that time but since going under ROSSENDALE COUNCIL it has slowly been stripped of all these facilities and have all gone to Rawtenstall or Bacup at the cost of all the residents .As far as Hyndburn is concerned they dont have any input as to service input as it is not under there management so is no use to the residents of Haslingden .Also HELMSHORE IS AND ALWAYS HAS BEEN PART OF HASLINGDEN BUT Rossendale council have decided to keep it under them maybe money for council tax has something to do with this.
