Comment text:

It would make more sense to have the townships of Haslingden and Helmshore as one ward and unite the rural areas of Worsley, Helmshore and Eden so that they have similar needs and expectations. At the least Haslingden should be one township ward instead of half of it in Worsley. At county level at present, half of Haslingden comes under Hyndburn and the rest of it under Rossendale, which makes no sense at all!
