Dear Sir/Madam

I wish to raise an objection to the proposed boundary changes to Whitworth and Healey, Facit and Shawforth, for the following reasons:-

Whitworth Valley is a 7 square mile area consisting of the above areas, how can a quarter of the valley be removed and attached to the Valley of the River Irwell, this is not possible, but this is what is being proposed. At Healey there is a sign that says welcome to Whitworth and another sign at the end of the valley, where Shawforth ends, saying welcome to Whitworth and that's how we would like it to stay.

I have lived in Shawforth for the last 6 years and previously lived in Whitworth 15 years, where most of my family reside. I am a patient at Whitworth Medical Centre and Whitworth Dental Care.

I believe all of Rossendale is unparished, except for Whitworth, which is the only civil parish in Rossendale, which as its own town council. The town council in Whitworth are very approachable and will help local people with any issues they may have, big or small, help is at hand.

I attend Whitworth Leisure Centre, also the Crown Green Bowling at Festival Park, which I am a member. I frequent Whitworth local shops regularly and support the RSPCA Charity Shop.

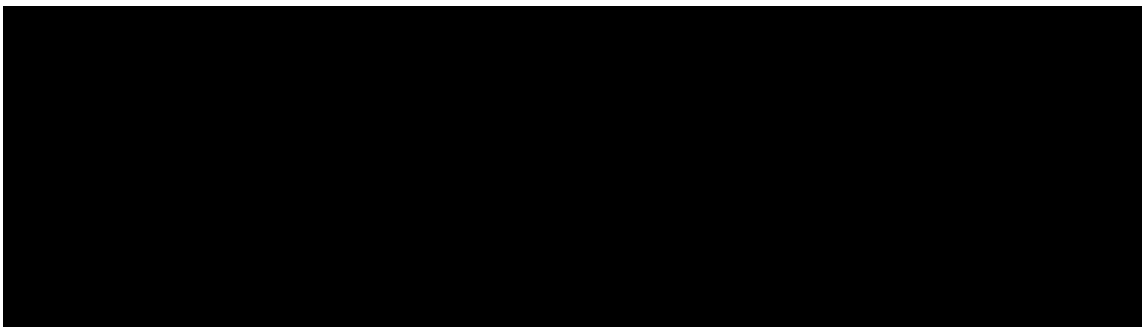

I also hired [REDACTED] [REDACTED]. We attend the Cenotaph every November, this year being no exception. Celebrated the Queens Jubilee at Whitworth Vally football ground and enter the New Year duck race every year.

As you have read above, you may have concluded that Whitworth is a big part of my entertainment and wellbeing and you would be correct, and I would like it to stay this way.

Thank you for taking the time to read my objection and please don't be influenced by Councillors who do not live here.

Kind Regards
