Subject: Ward boundaries Wolverhampton

Categories: Submissions

I would like our views to be considered in the upcoming alterations to ward boundaries. We live in the heart of Wednesfield very close to old Wednesfield and within 1 minutes walk of Wednesfield Town centre. We live in one of the oldest parts of Wednesfield- WV11[REDACTED] - Graiseley Lane- and for some reason have been classed as being in Heath Town for as long as I can remember, along with my parents who actually live 1 minute away from us in [REDACTED] Nordley Hill, WV11[REDACTED], which is the oldest past of Wednesfield! Can we please be included in the Wednesfield ward instead of Heath Town which is nowhere near us.

Thank you
