I live on the [REDACTED] Moving this section into a ward with seven dials and north laines splits us from our local community. Whilst on a map it might look ok, in-fact there is a large ridge along dyke road / Clifton Road meaning the new boundary puts us with areas over the hill in a different valley with which we have little association. Our activities, local issues and needs relate much more to the urban Regency ward centred around Western Rd one minute away to the South. I therefore ask that the regency boundary is drawn further north so as not to disenfranchise the residents of the one side of my street in this way.
