Comment text:

We do not agree with the proposed changes and consider that Stanford Avenue has a more natural association with the Preston Park area than the Round Hill area (or the Fiveways area as it is not immediately clear which we would be in judging from the map). There are many roads that would be placed in the Fiveways area which are also uniquely Preston Park in their character and history. It is considered that these areas, including Stanford Avenue, should remain in the Preston Park ward area.
