### Comment text:

Stanmer should be renamed Coldean, it's a village in its own right. Westdene and Hove Park should be changed as follows: Westdene and Withdean to make 1 ward, Hove Park to merge with Goldsmid. Roundhill is very small and could merge with Shaftesbury Rd/Ditchling Rise area. Everything else looks pretty representative of the city's local neighbourhoods and identified areas. This feedback is from a Brightonian of 40 years, taxi driver and community development worker. I also work as a Polling Stn inspector in all types of elections in the city. Ultimately the project should try to achieve less councillors, two for large areas is sufficient as we should be empowering residents to resolve minor issues through greater use of technology.
