I completely disagree with the change to move the Revere Way road into the Court ward from the West Ewell ward. Revere Way is a private road directly next to Ewell West station, so makes no sense for it to be moved out of the West Ewell ward. Also, the needs of the vast majority of the Court ward is completely different to the needs of Revere Way and other roads being moved into that ward. Revere Way and other roads included in this change are best kept in the West Ewell ward as that is the most appropriate ward.
