## **Local Government Boundary Review....Patcham & Hollingbury Ward**

I strongly oppose the proposal that the above Ward should be split into two.

I do not support Patcham being divided up as per the second proposal.  
Patcham & Hollingbury should stay together in one ward as in the first proposal.  
The natural boundary between Patcham and Westdene is the A23 and should remain.  
Patcham & Hollingbury is one community sharing many facilities and services, and should be served by the same councillors.

I trust Patcham & Hollingbury ward will stay together for the future.
