

## Brighton and Hove City Council

### Personal Details:

Name:

[REDACTED]  
[REDACTED]  
[REDACTED]

Organisation Name:

### Comment text:

I object because Patcham will lose our effective representation on the Council with no member specifically focused on our specific issues. Our services from the council are often poor and we are marginalised by being a satellite community. That will impact on things like our bus service and bin collection adversely. We want our own representation on the council.
