Subject: Patcham and Hollingbury boundary change

Categories: Submissions, [REDACTED]

Dear Sirs

My wife and myself have lived in Patcham for 50 years. We have moved to three different addresses within Patcham during this time. Our children attended the local schools and were members of local organizations such as cubs, scouts, Brownies and youth music clubs.

The proposal to change the ward boundary would effectively split Patcham in two. It is important that you understand that Patcham is a close knit community and has always been so.

Please do NOT split Patcham in two which would be the effect if proposal 2 were adopted. We wish to remain as one community per proposal 1.

Thank you.
