### Comment text:

I object to the future draft proposal to incorporate part of Patcham in to Hollingbury, and thus lose our status of being in Patcham. It is wrong to carve up a district to suite electoral wards. I am happy with the Brighton draft proposals which Hollingbury and Patcham can maintain their identity as a whole, but I strongly object to splitting Patcham in two. This will mean that our representation in "Patcham" is diminished, as the current area will have conflicting councillors and no good will become of that. Please respect boundaries of areas and either keep them as they are or join multiple ones together - but do not split communities in two.
