To whom it might concern.

My name is [REDACTED] and I live in Patcham.

Unfortunately as I am currently travelling I was not able to use the online form, however I would like to raise my concern and opposition to the proposed boundaries change for Patcham.

I believe this historical part of the city would be negatively impacted by this change, and weaken the heritage of this community.

I would also have some real concern on house prices being impacted by the boundary changes and services provided by the council.

Please let me know what else I can do to voice my opinion.

Thanks
