Hi

I have just found out about the proposed boundary change for Patcham .

I would like to ad I strongly disagree with the change . I have lived in Patcham my whole life . And decided to buy my family home in Patcham Not Hollingbery I do not see the point of these changes why it is being changed .

Also Patcham is a more desirable postcode that I paid the premium for . And changing this would devalue our house .

So please can we keep it as it is .

Kind Regards
