### Comment text:

I live in Heston Avenue and object to this area being called Hollingbury and Carden. This area is historically Patcham, coming off Mackie Avenue named due to the builders/founders of Patcham. We even have the clock tower which is historically Patcham. We moved from Hollingbury to Patcham and want to remain in it. Carden Avenue and everything on the side of it to Ditchling Road is Hollingbury and everything the other side of it is Patcham and Westdene. Any resident this end would tell you the same.
