The new proposals for Cropwell with one elected member represent bringing democracy closer to the communities they represent. The current proposal which includes Aslockton makes the ward too large for local representation. Similarly the current proposal splits Langar and Barnstone between Neville & Langar and Aslockton and Cropwell, however they share the one Parish Council as Langar cum Barnstone, which would require them to deal with two different district councillors rather than just one. I am firmly in favour of the proposals in the new consultation, for ease of operation and because it brings representation closer to the people.
