### Comment text:

- Droitwich SW should not include the area of Droitwich Central as in the draft. Instead SW should include Copcut Rise: Copcut Lane/Chawson Lane from Lovett Ward - residents on this new estate associate with Droitwich and contact local councillors already - I do not believe Dodderhill & Hartlebury should be linked, there is no common ground between these areas. - I do not think you should propose 3 member wards, that does not help residents at all.
