### Comment text:

A Bredon Ward with two District Councillors is an improvement from Bredon Parish Council's perspective. The current Wychavon District Boundary separates Westmancote from Bredon Parish, i.e., Westmancote is part of South Bredon Hill. If at some future date there is development at the west of the proposed Bredon District towards Tewkesbury, there may need to be an additional Councillor allocated. Development could be for up 1,000 additional houses by 2040 (subject to approval of a current outline planning application for 500 homes and a future revised South Worcestershire Development Plan proposal).
