### Comment text:

- The loss of identity becoming part of a larger area.
- Confusion for residents who need to contact their local representative – if this is to go ahead why not split the area in 2 and have one councillor for each area. Ineffective representation.
- Not in line with future development within the SWDP – short sighted approach.
- Effects on catchment areas for schools.
- Cost of this project when resources are severely stretched at this time.
- Effects on rural policing boundaries.
