No! Peopleton is a small, rural village, more in common with Upton Snodsbury, Broughton Hackett, White Lades Aston and Churchill. Drakes Broughton is a large, expanding village, more in common with Pershore and Pinvin. If Peopleton was to become part of the Drakes Broughton Ward, we would be a very poor partner to it, with less consideration and with different needs. It would not benefit Peopleton at all. We should stay as part of the Upton Snodsbury Ward.
