I am a Buckinghamshire Councillor and a Chalfont St Peter Parish Councillor. In an effort to solve the cross Parish issue, Ward Cllrs for CSP asked Bucks officers to look into creating a separate single member ward for this GX North - CSP South ward thus reinstating the loss of a Councillor and ensuring that residents in both areas would remain in GX or CSP with one Cllr representing them. This can be achieved with all wards now having a variance of -10% which is within the limit.

CSP North - 8111 electors with 2 members
GX North & CSP South - 4069 electors with 1 member
GX South & Denham - 12193 electors with 3 members

CSP Parish Council are supporting this proposal.

This seems to be a sensible solution to this cross boundary issue.
