To the the Boundaries Commission.

I am very disappointed with the recent consideration of taking Fulmer out of the Gerrards cross boundaries.

Fulmer residents are often ignored in many large decisions with the recent being the Pinewood expansion and permission by councillors to grant building commercial backlots on greenbelt land that fissures our daily lives.

I have personal ties with Gerrards cross as my 3 children attend:

Gerrards cross CoE for primary and junior school, st James church , GX and fulmer Scouts and grass roots football GXFFC. We use local transport to London and we use GX for secondary schools transportation links. in Bucks and local shopping.

There is absolutely no reason advantageous or sensible reason to link Fulmer to Stoke Poges or Farnham Common as the groups as mentioned above to not link up. It absolutely does not make sense or does it represent what the residents want for Fulmer.

Please respect the residents of Fulmer and the wishes of the Fulmer Parish Council.

Kind regards
