### Organisation Name:

### Comment text:

I think it's a bad idea to join the boundaries of Fulmer Village to Farnham and Stoke Poges as we better located with GX. My daughter attends St Mary's girls school in GX and it's our local area for shopping. We are in GX for almost everything we need. We have much better ties with GX than with other areas like Farnham which is further to our village than GX. Please consider our wishes to remain within the borough of Buckinghamshire.
