Organisation Name:

Comment text:

Fulmer has closer ties to Gerrards Cross than Wexham. As a family and individually, we visit Gerrards Cross daily for shopping, travel (GX to Marylebone), banking, post office. We also attend all the community events such as GX lights on, Fireworks at the Memorial Centre, fairground etc. We also participate in the Gerrards Cross 5K fun run each year. We only visit Wexham if we need to use the hospital.
