Related subject: Gerrards Cross and Fulmer wards

I have lived in Fulmer all my life and our farm has been in our family for over 70 years. Both my children attend school at Gerrards Cross CE school and we are regular visitors to St James Church.

I strongly oppose the suggestion to move Fulmer from its current ward (Gerrards Cross) to Farnham.

This could not only have dire consequences for housing prices but also for the catchment area for the Gerrards Cross school. We use all the facilities Gerrards Cross has to offer on a daily basis and our children's social needs are all met via their activities throughout the Gerrards cross area.

My daughter is about to start secondary school in Gerrards Cross, so our links to the area will continue for the next 7 years.

I am happy to go into further detail and discuss this in a face to face meeting should it be required.
