

Buckinghamshire

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

My address is [REDACTED]

I hereby voice my support for the New Revised proposal...and have previously objected to the Initial proposal that GX be split up...and combined with CSP.

I regard the whole thing as a total waste of taxpayers money and just wish things would stay as they are and have always been. What a palaver and a waste of time.
