I think the Chalfont St Peter boundary and Gerrards Cross boundary is odd. Why wouldn't you run the houses of Lewins Road into Gerrards Cross / Denham given nearly all the surrounding streets are. Then the boundary can be Bull Lane / Austenwood? In your current proposal houses on one side of Maltmans Lane are in one area and the other side on the other. It makes more sense to include all those houses and Lewins Road in the Gerrards Cross area and then run the line down Bull Lane surely?
