## Comment text:

Hi,

I live at [REDACTED] Windsor Road, Gerrards Cross, Bucks, [REDACTED] and wish to register my view regarding the proposed boundary changes.

I really don't understand why something that works so well for Gerrards Cross residents needs to be changed. If, however, if this is essential, I wish you to note that I would be strongly in favour of the revised proposal to create the Gerrards Cross/Denham ward. This option I feel would be more beneficial to the residents and community.
