

## North Northamptonshire Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:**

### Comment text:

All pointless when you have no staff available for any help, current example of this is Kettering planning department, no way of contacting anyone in the department, all staff still working remotely, no way of speaking to anyone. This sums up Kettering council and how it's run so it's irrelevant if you have 1 councillor or 500
