

## Tandridge District Council

### Personal Details:

**Name:** Sophie Martin  
**E-mail:** clerk@limpsfield.org  
**Postcode:** [REDACTED]  
**Organisation Name:** Limpsfield Parish Council

### Comment text:

With regards to Limpsfield, our ward is currently in two parts - Limpsfield North and Limpsfield South and represented by two councillors, with boundaries in line with Limpsfield Parish Council. The Limpsfield ward area is largely rural with two built up areas - Limpsfield Chart village and Limpsfield Village / Oxted border area, and very distinct to the immediately adjacent built-up areas of Oxted and Hurst Green (Oxted South). In order to become a 3-councillor ward, there would need to be a reconfiguration / merger with any of the four wards adjacent to Limpsfield and, we believe, not be in the interest of the Limpsfield electorate. The most likely ward with which to merge Limpsfield would be Tatsfield & Titsey ward. While it shares Limpsfield's northern boundary, it has no meaningful interaction with Limpsfield, and does not share any overlap in terms of amenities and services, with the majority of Tatsfield being geographically removed from Limpsfield (via the North Downs divide) and having more in common with Bromley/Biggin Hill/Woldingham than Limpsfield. Limpsfield was identified as having no requirement to change in the Boundary Review of 1997/8 and we do not believe that has changed. Thank you and best regards, Sophie Martin (Cross) Clerk to Limpsfield Parish Council
