

## Tunbridge Wells Borough Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:**

### Comment text:

The Council ought to have all out elections, not elect in thirds. Multi-member wards are great for areas of higher population density, but for rural wards a single or two member wards would be much better, as the geographic spread proposed is too great for cllrs to be able to properly represent the community.
