

West Northamptonshire

Personal Details:

Name: Jamie Lane
Email: [REDACTED]
Postcode: not given
Organisation Name: (Parish or town councillor)

Comment text:

I write to express my views on the changes to the West Northamptonshire boundary changes in the Northampton North Constituency.

Whilst I am happy for the changes in Kingsthorpe North & Kingsthorpe South I have concerns about the changes made to Parklands Ward.

Parklands Ward is currently a 3 member ward and your proposal is to reduce its size and make it a 1 member ward. I don't feel in anyway that moving Moulton Leys into the current Moulton ward would benefit the people of Moulton Leys

Moulton Leys sits in Northampton North Parliamentary constituency and Moulton Daventry Parliamentary constituency

Moulton has its own parish council where Moulton Leys is part of Northampton Town Council

Moulton Leys residents use facilities that are in the area of Parklands, supermarkets, Dr's Denise's and schools. The natural community hub is along the Kettering Road from Booth Rise down to the golf club roundabout where Morrison's supermarket is.

I would therefore ask that the current boundary for Boothville and Parklands remain the same except move the area below St Gregory's road into Headlands ward and reduce the number of councillors to 2.

I'd be happy to give you more details if requested

Best wishes
