Organisation Name: Maidwell with Draughton Parish Council (Parish or town clerk or officer)

Comment text:

Related subject: Walgrave and East Farndon Ward

While the Parish Council does not object to the boundary change, we do not agree with the name chosen for the new ward.

Walgrave and East Farndon does not provide any opportunities for villages such as Maidwell and Draughton to identify with the ward. The name appears to be simply two random villages within the ward and a more suitable and generic name should be chosen.

Kind regards,
S Smith, Clerk
