Related subject: Removal of Watford from Long Buckby Ward

I disagree with the removal of Watford from the Long Buckby Ward.

These are the reasons.

Watford has had strong community links with Long Buckby as they are our closest neighbour.

Children from Watford Village predominately attend both Long Buckby Primary Schools

Residents of Watford Village are registered under Long Buckby Surgery

Watford Village has no shops and little amenities and so traditionally villagers use Long Buckby for this purpose

Long Buckby has a wide range of sports and social clubs that people from Watford Village attend and use

Both Long Buckby and Watford Parish Council's encounter similar issues and regularly consult and work together
