## Comment text:

**Related subject:** Battenhall/City Centre

I missed section 96 re moving Waverley, Cavendish & Orchard Street plus from 106 Bath Rd. into Battenhall. These streets are part of the wider Diglis community around Diglis Field, which has has great improvements aided by consultation and community group work from residents all over this area. They have historically been in All Saints/Cathedral Ward and have had no connection with St Peter/Battenhall.
