## Comment text:

**Related subject:** FOD

Terrible council. I've lived within the boundaries of Cotswold and Tewkesbury in the past and both are much better in terms of customer service and the recycling is much better in terms of the accepted items. I am just outside of the Tewkesbury boundary and would like to discuss that being changed and what that would look like in terms of council tax. I seem to pay a lot for the FOD compared to other councils but for a very poor return.
