Comment text:

Good afternoon,

Thought I would share my view, I live on Reservoir Road GL4 [REDACTED], the street is currently spilt into two different wards, would be great as a close knit community to be part of the same ward.

We have a specific fb page just for street and I'm sure you can imagine how interesting conversations would be should issues arise and would like to work together with just the same set of councillors (minus Cllr Chambers).

Thank you
