## Comment text:

**Related subject:** Brinkburn and Hesleyhurst Parish Council

I believe the intention is to make us part of Longhorsley Parish, and I would state a desire to be part of Rothbury Parish, in preference. Our Medical, education, social and community links are much stronger with Rothbury than Longhorsley, and we feel we are a part of the Coquet Valley, and, as farmers, our interests are aligned much more closely with that community.
