**Related subject:** Cottier Grange/Humbles Wood

I just cannot understand why this area would change to Stocksfield, Maybe Humbles Wood, Cottier Grange should stay in Prudhoe South it can only be accessed from the B6395 in Prudhoe. There is no access from Cottier Grange to Humbles Wood which is accessed from Moor Road Is it because a new estate would not involve any costs for many years and would this ever have been considered if West Wylam was in this location?
