Dear Mr Latham,

RE: North Northamptonshire Boundary Review

I write in response to the consultation regarding the draft proposals for new wards in North Northamptonshire and potential impact/benefit to Weekley Parish. I understand that the proposal is to place Weekley under the new Geddington and Stanion ward.

I would be grateful if you could take into consideration and note the following.

We are in **support** of the new Geddington & Stanion ward proposed.

We believe the western boundary of the ward should be adjusted to run down the A43 and along the bypass (Weekley Wood Lane). This will prevent the boundary running through buildings and match the clear physical boundary of Kettering in both roads.

This will not impact any electors, the changes only cover wooded and industrial areas.

The parishes of Weekley & Warkton have close links with each other such as Cricket Club, WI and the proximity of Warkton village and Weekley village being neighbours.

Weekley and Warkton also have close links with Geddington and Boughton Estates (Duke of Buccleuch)

There are clear and easy footpaths that link the 3 areas making it easy to move between all three villages on foot.

I would be grateful if you would acknowledge receipt of this letter and keep us updated on reviews.

Kind regards

Ruby Cole

Clerk & RFO
Weekley Parish Council
