I profoundly disagree with altering the borders in Whyteleafe. I have lived in Downsway for the past 13 years and use the Whyteleafe Recreational park everyday. As residents, we see ourselves integral part of Whyteleafe village life and community and feel best represented this way. In my view the current proposal would have a detrimental impact on our community identity as well as the services provided by our local authority. Furthermore, excluding Whyteleafe Recreational Park from the Whyteleafe parish would in effect transfer the only existing open air recreational facility away from our village.
