Dear Tandridge Council/Electoral Services,

I write to OBJECT strongly to the proposed ward changes involving Tatsfield.

I am a Tatsfield resident and do not feel it is in Tatsfield's best interests to get sucked into a multi member ward. We residents want to keep our independence, to make our own decisions and to only pay precept for our own community assets.

Also, as we have little to no reliable public transport, if we lose our independence, our Parish Council meetings will not always be in Tatsfield and this would cause a barrier to many elderly residents who rely on public transport to get in and out of the village.

We want Tatsfield to make its own decisions for its own affairs, we do not want to go backwards and get swallowed up thank you very much!

Please do not use this email address for any of your marketing or publish it on your website.

Best regards,
