I don't agree with the proposed boundary changes to the north of Whyteleafe.

Maple Road, Downsway and area are definitely in Whyteleafe. The nearest village centre is Whyteleafe, the nearest pubs, shops, all within easy walking distance. I walk and shop here almost every day and I never venture as far as Warlingham - in fact I'm not sure I could without catching 2 buses. Hence I do not feel connected to Warlingham or Hamsey Green at all. We are already in an area stuck out on a limb next to Kenley in Greater London and we would be even more so if we became part of an area where all the local amenities are so remote from us. I want to be represented by people who care about my local area, not some barely reachable place across a park and up a huge hill where I never go. We are culturally and geographically part of Whyteleafe and these proposed border changes are frankly ridiculous.

In addition, Whyteleafe Recreation Ground has Whyteleafe in the name and was acquired by the people of Whyteleafe for the people of Whyteleafe. For whatever reason these boundary changes were proposed, it wasn't thinking about the residents - it seems to be just some strange numbers game, for the benefit of no-one that I can see.

Please register this as an objection in the strongest terms to the proposed boundary changes.
