To whom it may concern,

I live in Cottingham and do not support the proposal to change ward boundaries to an expanded Desborough ward.

Although I live in a village I use all the services in Corby, our nearest town & I do feel part of this wider community. My doctor ut & dentist are in Corby, I do all my shopping in Corby, I socialise in the town and I would like to remain in the ward of Corby Rural.

The villages are very close communities with their own specific needs & issues that I fear will get subsumed if we have to merge with an expanded Desborough ward. I have no connection to Desborough which is not a rural community, it is a town, despite that being one of the justifications for the proposal that my village and surrounding villages be brought into this larger ward.

The proposed boundary change will also mean fewer councillors & I worry that the issues of a larger town like Desborough which is rapidly expanding, will mean that village issues will not be a priority when there are fewer councillors representing the expanded ward and will become over stretched.

Please record my objection to the boundary change.

Kind regards
