Swanspool Pavillion & Bowls greens

For the last few years the Authorities responsible for this area have been losing money. Why? It appears no one wants to be responsible for charging bowls clubs for the use of the bowls greens. Also the pavilion was used by local clubs & Bowls clubs. This stopped due to Covid, but there are no reasons why this facility cannot be used now, and revenue collected by the responsible authorities. It's about time these issues are resolved as the the Councils are losing revenue. Bowls clubs are willing to pay for the use of Bowls greens as well as the pavilion. Please sort this mess out.
