## Comment text:

I have lived in Selkirk Square Springwell for over 70 years and object to being separated from Hastings hill, Grindon and Thorney Close. It is a very good community and should be left the way it is . Walk in centre schools and parks all border these areas so why detach us from them . Pennywell is on the other side of the A183 and plains farm other side of A690. Thank You [REDACTED]
